Subject: Agenda for May 9th

Hi Mike,

We are thinking ahead and planning for the CLP meeting day scheduled for May 9th. Are you planning on the usual travel to Columbia Falls on the day of the meeting and arrive just after lunch? If yes, we assume you probably want to sit for a couple hours before the meeting and catch up.

We put together a short agenda. Take a look when you get a chance and let us know what you think.

Agenda

- Prep for Public Meeting / Tour
- Work progress updates
 - Recon
 - Start of Drilling
- Schedule
 - Phase II Summer Schedule
 - Risk Assessment Schedule
- Status of Risk Assessment Work Plans
- Background SAP Status
- Any additional comments/concerns
- Quick Site visit (demo, river, etc.) if needed
